Cover to Cover: Writing for Children

Instructor: Marcia Schonberg

Saturdays: February 4, 11 & 18, 2009

Toni Stabile Building, 2nd floor, Room 2T- Computer Lab

10 a.m.-12:30 p.m.

Marcia Schonberg, award-winning journalist, photographer and nonfiction author of sixteen books presents “Cover to Cover,” a three-session writing workshop to inspire your creativity. Take advantage of true life experiences and/or imaginary tales dancing in your mind. Schonberg, an avid art educator, offers professional techniques to make writing fun and exciting. Learn the steps necessary to turn your story into a finished book you’ll proudly share with family and friends.

This workshop will be held in the Toni Stabile Building computer lab. Prior computer skills will be useful, but not imperative. The instructor will introduce various software programs that are useful for writing, photography and production of books for children.
