**Spring semester January–May 2010
Schedule is subject to change**

Kindermusik at the Phil!

Village *Cock-a-doodle-Moo!* – Hop on the hayride—it's time to head for the farm! In this class, you will sing songs about the farm, including *Old MacDonald*, *Hayride*, and *Clever Cows*. You'll engage in rituals and playful activities with your baby, including infant massage, lap bounces, exercise and quiet time.

Home Materials: A picture board book with charming farm animals and the sounds they make—*Cock-a-doodle-Moo*, a CD of the songs heard in class, a Sunshine Jingle instrument for music-making at home and a set of Art Banners for the nursery wall.

Village *DewDrops* – Stop and smell the roses—and lily of the valley, and tulips and pansies. In this class, parents and babies will play and move together to songs about flowers, such as *Jasmine Flower*, *How Does Your Garden Grow?*, and *White Coral Bells*. You'll also hear traditional Irish music, dance a jig and move to the *Irish Trot*.

Home Materials: CD of beautifully arranged songs from class, a board book of colorful flowers—*DewDrops*, a set of Art Banners for the nursery wall and a Flower Bells instrument for music-making at home.

Our Time *Away We Go!* – Hop on the train, get in the car, board the plane and *Away We Go!* This class focuses on transportation, a favorite topic for toddlers who are on the go, go, go! Sing and play along with favorite songs, such as *I've Been Workin' on the Railroad* and *Wheels on the Bus*. Explore fast and slow, smooth and bumpy, high and low. Read stories about ways to get around. *Shiny Dinah* tells the story of a train, and *Giddy-Up!* has a horse, speedboat, race car and more to help you get where you want to go.

Home Materials: Double CD featuring songs from class, two interactive story books—*Shiny Dinah* and *Giddy-Up!* to develop early literacy skills, Home Activity Book and two harmonicas designed for toddlers.

Class Descriptions

Imagine That! *Toys I Make, Trips I Take* – Think of it like taking a course inside a child's imagination. We'll use the theme of a toy shop to make our pretend-creations, using rhythm and songs with every imaginary saw, hammer and nail. The result is building the preschooler's sense of a sequence of events, which is good for storytelling, as well as making his ideas a reality.

Home Materials: Two books—*If I Had a Big Blue Boat* and *Tippity Tippity Too*, *Toys I Make, Trips I Take* Play Set, two home CDs, Family Activity Book and a drum.

Family Time *Here, There and Everywhere* – The five sub-themes center around different family outings: a visit with a friend, an outing at the park, a trip to the city, an afternoon at the aquarium and a day on the farm. Move like animals with this unit's story *Flip-Flap, Sugar Snap!* And follow a girl's adventure as she loses her jambourine during the day's outings and then finds it in the story *Jingle-Jangle Jambourine*.

Home Materials: Two Books—*Flip-Flap, Sugar Snap!* and *Jingle-Jangle Jambourine*, Two Home CDs, Family Guide, board game, Waggs the dog hand puppet and finger puppet and two jambourine instruments.

Young Child Semesters help every child develop a confident, joyful voice for singing and speaking, as well as essential building blocks for a future of learning. Students explore many facets of the musical experience – speaking, singing, moving, dancing, listening, creating instruments and playing authentic pre-keyboard, string and woodwind instruments. Listen as your child astonishes you with his newfound ability to create musical compositions. **Young Child** provides a pressure-free, developmentally appropriate transition to musically succeed before taking on more formal instruction.
