Fridays beginning 8/27/10 11-11:45 a.m.

Kindermusik® at the Phil!

Village Zoom Buggy! Swoosh, vroom and clickety-clack your way through this delightful unit. Babies and adults will dance, sing and play instruments to the theme of being on the go. Chug around the room to the song *Little Red Caboose*, hold on tightly while *Riding in the Buggy* and dance your way to *Zoom-e-oh!* Engage in rituals and playful activities such as infant massage, lap bounces, exercise and quiet time.

Home materials: Colorful board book of different vehicles, home CD of the songs heard in class, a set of art banners for the nursery wall that strengthens visions and promotes early literacy and a Zoom Car baby instrument for music-making at home.

Village Dream Pillow This title alone brings images of rocking, cuddling, singing and lulling to sleep. But leading up to sleepy time are many upbeat and playful activities. Babies and adults will swirl to a dreamy cloud dance *Meet Me Tonight in Dreamland*. They'll also play baby-appropriate instruments to *Aiken Drum*, and *Sarasponda*. Favorite nursery rhymes like *Wee Willie Winkie*, and *Diddle, Diddle, Dumpling* are sprinkled throughout the classes. It's easy to weave many of the class songs and activities into your families' daily routines.

Home materials: A board book that calms and relaxes, home CD of the songs heard in class, a set of art banners for the nursery wall that strengthens vision and promotes early literacy, and a star baby instrument for music-making at home.

Our Time Milk & Cookies makes everyday home activities and chores easier and more fun with music! Cook and sing to *The Muffin Man*; dust and clean to the original song *In My House*; get ready to wash clothes to the delightful poem *Washing Machine*. Baking cookies, eating cupcakes, blowing on hot cross buns, wiggling like jelly, going grocery shopping and making tea are all represented in familiar as well as new songs. Move, play and sing together in developmentally appropriate activities created just for 1½ to 3-year-olds. Capture the familiar and new moments of the day and learn how music can impact your toddler.

Home materials: Double CD featuring songs from class, two books—*At My House* and *Cookies*, two home CDs, stir xylophone instrument and a home activity book—all arriving in a durable lunch bag.

Class Descriptions

Imagine That! *Hello Weather, Let's Play Together* Sunshine, rain, snow, thunderstorms and more in this imaginative and delightful weather-related musical adventure. Preschoolers create storm sounds with a drum to *Wild Storms*, jump in pretend puddles to *Mud Puddle Jump*, throw pretend snowballs to *Snowballs*, and sing along to *Colors of the Rainbow*. With weather as our learning theme, preschoolers will explore musical styles that range from opera to American folk, and become more self-sufficient in a creative musical environment that integrates music, pretend play, storytelling, movement and more.

Home materials: Two books—*Michael Finnigan* and *Hurry Home, Little Kittens*, Hello Weather Play Set, two home CDs with over 63 recordings of the stories, games, and weather sound effects played in class, 46-page family activity book, and two instruments—ankle bells and rain shaker with scraper.

Family Time *Make Way for Music* Families will sing, dance and move their way through an exploration of several elements of music: beat and rhythm, concepts and contrasts (such as staccato and legato, high and low, the major scale, and arpeggios), the human voice, instrument families, and ensemble. They'll engage in developmentally appropriate activities that the whole family can enjoy together, including fingerplays, songs, circle dances, story time, and family jam.

Home materials: Two books—*Drum Circle* and *Animals on Parade*, two home CDs, Family Guide, Rex the lion hand puppet and finger puppet, an instrument-matching board game and two fingerdrums.

Young Child Semesters help every child develop a confident, joyful voice for singing and speaking, as well as essential building blocks for a future of learning. Students explore many facets of the musical experience – speaking, singing, moving, dancing, listening, creating instruments and playing authentic pre-keyboard, string and woodwind instruments. Listen as your child astonishes you with his newfound ability to create musical compositions. Young Child provides a pressure-free, developmentally appropriate transition to musically succeed before taking on more formal instruction.

Home materials: Children's folder with stickers, games bag and music at home cards, family songbook, home CD of music from class, glockenspiel, dulcimer, recorder and canvas bag.

Fall semester August–December 2010
Schedule is subject to change
(9/13/10)
